

DON'T MISS OUT! THE NEXT ARIIX GREAT ESCAPE TAKES PLACE APRIL 20-25, 2020!

How to Get There

Between December 29, 2018 and January 3, 2020, earn a total of 260,000 Opportunity Credits to redeem your ticket.

How to Earn

How do you earn Opportunity Credits? Just keep building your business: acquire new customers and members, and duplicate your success!

But to REALLY maximize your earnings, focus on growing your Pay Line Volume (PLV).

Look at You Grow!

Grow your PLV throughout the year and earn 25,000 Opportunity Credits for every 5,000 Sales Volume Points (SVP).

For example:

- The total for the previous half-year (week 27 to week 52 in 2018) was 10,000 SVP. Your total PLV for the current half-year (week 1 to week 26 in 2019) is 50,000. This means you grew the total PLV by 40,000!
- $40,000 \text{ Growth SVP} / 5,000 \text{ SVP} = 8$
- $8 \times 25,000 = 200,000 \text{ Opportunity Credits}$
- Check your previous half-year total and your current growth on Earning History in the AOR app.
